

“Still ready.”

Grindex S 35

Stefan Kunz
Grinding Specialist
Rychiger AG, Switzerland

Our Liquid Tool. **Your Success.**

Ensures stable processes and high repeatability.

Grindex S 35

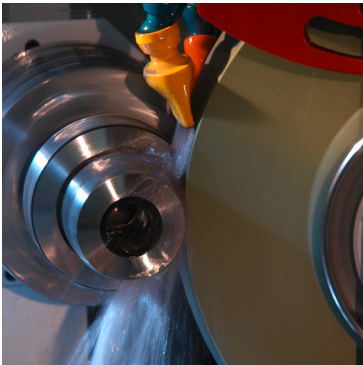

- Keeps machines and workpieces clean thanks to excellent rinsing behavior and filterability
- Low-foaming
- Crystal clear for a clear view of the machining process
- Gentle to people and the environment*

*Free of critical substances such as boron and formaldehyde as well as chlorinated and sulfurous EP additives

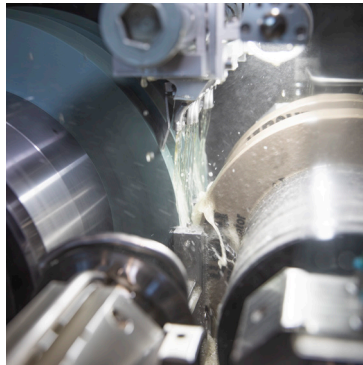

Water-miscible oil-free grinding fluid with a neutral pH

- For grinding steel, stainless steel, hardened steel and ceramics
- Variable concentration 4-7%
- For use in soft (<math><8^{\circ}\text{dH}</math>) or DI/RO or otherwise demineralized water

For a variety of grinding applications

Cylindrical grinding
